Lessons Learned

What did you learn from this session?

This session has not been run yet. If you run it and have lessons to share, please let us know (cisvdomi@gmail.com) and we will add them.

Tips for Facilitators:

Trainers should not expect that participants have knowledge of milestones of CISV’s development for each decade. Therefore, when presenting the posters to the big group, the trainer should be prepared to add and discuss some CISV related milestones to make sure that for each decade some milestones are covered. Make sure every item from the quiz has been covered if you intend to use the quiz!

Appendix: Quiz: Six decades of CISV

Tip: Do the quiz in the form of "Jeopardy" or another popular quiz game to make it cheerful and experiential!
