

# EDUCATE THIS

## *Human Rights Year Step #2 (March/April):* **Educate this! - Human Rights Education**

After starting with *your* personal experiences in Step #1, we want to focus on the different types of Human Rights and the history behind them. The foundation for this is laid by the *Universal Declaration of Human Rights* (1948), which we'll familiarize ourselves with.

After carrying out Step #2, Juniors will be prepared to apply their Human Rights knowledge in a confident way.
