

[IJB] Local JB SET 2018

Dear LJRs,

The time has come again to complete our wonderful JB SET (Junior Branch Self-Evaluation Tool)!

The JB SET is a survey that aims at collecting information about Junior Branch at the local and national level. It represents a relevant tool for all levels of the organisation as it gives us an overview on where we are to better adjust according to where we want to go.

This year's results will be presented at Global Conference taking place in August 2018, in the Netherlands. They will also be made available at our (almost ready) IJB website.

IMPORTANT: THE TIME FRAME CONSIDERED FOR THE QUESTIONS IS SINCE IJBC 2017-NOW

If you have any questions or need any support, don't hesitate!
You can always contact us at ijr@cisv.org.

Thank you for your contribution!
Beijinhos,
Floripa
