

## [IJB] National JB SET 2018: Multi-chapter NA

Dear NJRs,

The time has come again to complete our wonderful JB SET (Junior Branch Self-Evaluation Tool).

The JB SET is a survey that aims at collecting information about Junior Branch at the local and national level. It represents a relevant tool for all levels of the organisation as it gives us an overview on where we are to better adjust according to where we want to go.

This year's results will be presented at Global Conference taking place in August 2018, in the Netherlands. They will also be made available at our (almost ready) IJB website.

Important: base your answers on your JB situation since IJBC 2017 until now

If you have any questions or need any support, don't hesitate!  
You can always contact us at [ijr@cisv.org](mailto:ijr@cisv.org).

Thank you for your contribution!

Floripa
